

Product Data Sheet

Product Name

Cotton Face Mask

Product Code

AFR02

Product Description

- Reusable, non-surgical face mask
- Three protective layers
- Machine Washable
- Dye Sublimation Full Colour Printing

Product Use

1 Always wash your hands before putting a face mask on.

2 Never touch the inside of a face mask, only the ribbons.

3 Your nose, mouth and chin must be covered by the mask - and it must fit snugly at the sides.

4 Once you are wearing a face mask, do not touch it.

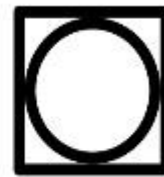

5 Always wash your hands before and after taking off the face mask.

Product Cleaning

6 At the end of the day, the face mask should be washed in a washing machine
