

# SMART POPBOX

Introducing the Smart Pop-Box- the perfect integration of power and design. The Pop-Box comes in a compact and robust case with a swivel lid that reveals your stretchy charging cable and 3 USB heads; Type-C, Lightning and USB. The stretchy and versatile cable will always stay neat and untangled within the case, freeing you from annoying tangles. It has a maximum stretch length of an amazing 28cm and retracts to just 15cm - short enough to coil in the box. The versatile powerbank contains all adaptors you will ever need, perfect for charging all of your devices on the go!
