2264-BK Xoopar Squid Wireless Charging Powerbank 7500 mAh

The best selling squid powerbank just got even better, with wireless charging. Always reliable, and convenient to carry and use, the unique 'squid-inspired' suction pads attach the powerbank to your phone effortlessly, providing convenient power but also acting as device support to hold and position your device when watching something on your screen. And now with illuminated branding available as well as wireless charging, the best just got even better. This is our best ever powerbank for phones and a must for anyone travelling for business or leisure.
